

## Premium E-mail

RP Design Web Services Premium Email gives you more powerful Spam and Virus protection, collaborative webmail, larger mailboxes and secure email from any web access device.

**Desktop** Works with your favorite desktop software like Outlook®, Thunderbird®, Entourage®, or any POP/IMAP client.

**Browser** Login from any internet connection to send and receive mail or manage your calendar and tasks.

**Mobile Phone** Check Email on your BlackBerry®, iPhone®, Windows Mobile®, Android®, or other mobile device.

### **Premium Email Features**

- o Generous 1 GB-mail boxes
- o Pop3 or IMAP E-Mail **Accounts** -- these are fully serviced accounts that you can send and receive E-mail from.
- o E-Mail **Aliases** -- these are redirected accounts so, for example, robert@rpdesign.com is redirected to robert@aol.com
- o **Server level Spam & Virus protection** – stops dangerous messages before your PC via a continuously updated, multi-layered process that eliminates 98% of all Spam with near zero false positives.
- o **Unlimited e-mail autoresponders** for messages such as “out of office”

o **E-mail Services** -- see "**Clients Only**" section of our website for more information about using features such as e-mail forwarding and out-of-office automated messages

o **Webmail** -- More than just browser access to your e-mail, Premium Webmail allows the entire business staff to share information with advanced:

o **Calendars** – Create and manage multiple personal and shared calendars, set reminders and recurrences, and color-code entries for at-a-glance viewing. With a shared calendar, meetings and events can be entered and viewed by all company members with e-mail accounts

o **Contact Lists** - Create multiple personal or shared contact lists; add photos, multiple phone numbers and email addresses, mailing addresses, and notes to entries. Import your existing contact lists from other programs.

o **Task Lists** - Standalone task manager right in your inbox. Create multiple task lists featuring individual action items laid out with completion dates, notes area for task details, and tasks even change color to remind you of due dates.

o **Notes** - Record important information in an easy to use text interface tied directly to your inbox stamped with time/date and title for easy retrieval.
